WSP USA FIELD SERVICES DISASTER AWARENESS REPORT

October 28, 2026

Flood Activity

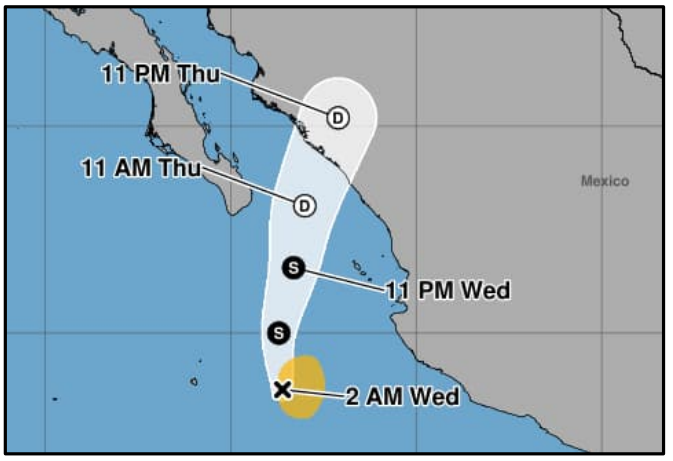

California

- Parts of the heavily populated California coast have seen record-high coastal flooding due to the King Tides, including Los Angeles, as roads in beach cities were turned into canals Tuesday.
- Peak high tide flooding is expected for the region to last through Thursday before high tides slowly beginning to recede.
- Record-high tides have been observed in Los Angeles, where water levels reached 2.70 feet above normally dry ground Tuesday, setting a new record after surpassing Monday's high-water mark.
- San Francisco set a new October flooding record, with water reaching 2.01 feet Tuesday. San Diego and Santa Monica also saw more than 2.50 feet of coastal flooding Monday.
- Coastal communities in Huntington Beach and Newport Beach have been hit particularly hard, with residents and business owners forced to bail water from homes and businesses.
- The City of Newport Beach declared a local state of emergency ahead of the flooding.
- Coastal Flood Advisories and Warnings are in effect from San Francisco southward to San Diego through Friday.

Tropical Activity – Eastern Pacific

Tropical Storm Vance

- Located about 280 miles W of Manzanillo Mexico moving N near 12 mph with maximum sustained winds of 40 mph.
- Tropical storm-force winds extend outward up to 80 miles from center.
- Little change in strength is forecast during the next 24 hours, followed by gradual weakening.
- Vance is expected to become a post-tropical remnant low tomorrow as it approaches the coast of northwestern Mexico.

Declaration Activity

DR-4955 Florida

- President Donald Trump has approved a federal disaster declaration for Florida following Hurricane Isaias, unlocking federal assistance for local governments across Northwest Florida, while direct aid for individual residents remains under review.
- Local and state leaders expressed confidence Tuesday night that direct help for families will follow as damage assessments are completed.
- The declaration authorizes grant funding for emergency work and repair or replacement of disaster-damaged facilities across 13 counties: Bay, Calhoun, Escambia, Franklin, Gadsden, Gulf, Holmes, Jackson, Jefferson, Liberty, Okaloosa, Santa Rosa, Wakulla, Walton, and Washington.
