- Torrential rain triggered Flash Flood Emergencies across Polk County, Tennessee, and Fannin County, Georgia, along the state line early Thursday after storms fired within the southern end of a massive cross-country storm.
- In response to the overnight flooding, Georgia Gov. Brian Kemp declared a state of emergency Thursday for Fannin, Gilmer, Murray and Union counties.
- Officials said at least 80 people have been rescued in Fannin County, Georgia, following widespread flooding.
- Meanwhile, in Tennessee's Polk County, at least 68 people have been rescued, prompting officials to declare a state of emergency.
- Starting at 3 a.m., people in some McCaysville, Georgia neighborhoods had to evacuate immediately. Officials said swift water rescue teams are still active after water surged into multiple homes and businesses.
- The Toccoa River in Georgia and the Ocoee River in Tennessee surged into major flood stage, cresting at a new record over 18 feet after 5 to 8 inches of rain fell across much of the region over just 12 hours.
- The City of Copperhill, Tennessee, said late Wednesday that the city is closed and warned people to stay away from downtown or any areas along the river.
- The Tennessee Emergency Management Authority is coordinating with Polk County officials, local emergency responders and community partners to support residents affected by flooding in the Copper Basin area.

Tropical Activity – Atlantic

Disturbance 1

- Located a few hundred miles S of Bermuda moving east.
- Environmental conditions are unlikely to support significant development.
- Formation chance – 48 hours: Low (20%); 7 days: Low (30%)
